### Conditions of Attendance at Flint House

Non contributing serving police officers will be allowed to commence contributing; however, they will not be accepted for free admission to the Centre with a pre-existing injury or illness within the first twelve months of contributing. Should they wish to attend within twelve months this will be permitted on payment of an amount equal to the cost of providing for the average patient stay (currently £1200 for 12 days, £100 per day).

Any serving officer applying for admission to the Police Rehabilitation Centre will be required to include with the application form his/her latest pay slip and 2 pay slips from within the last 12 months providing confirmation of contributions. Failure to enclose the required three pay slips will result in your application being refused.
